

Site Rules

There are some rules about how you may use a forum and this Site in general. You must not:

- 1.1 submit or transmit any content that is unlawful, threatening, racist, abusive, obscene, defamatory, pornographic, inflammatory, menacing, encrypted, or offensive, or which otherwise inhibits other users from using or enjoying the forum or this Site;
- 1.2 submit or transmit any content that infringes or violates another person's rights, including intellectual property rights, or privacy, or misuses another person's confidential information;
- 1.3 submit or transmit unsolicited commercial or advertising electronic messages, or solicit other users to buy or sell products or services or donate money;
- 1.4 impersonate another person (for example, by pretending to be someone else when you submit a contribution to a forum);
- 1.5 knowingly transmit any malicious software (including without limitation any virus, worm or phishing software) or other disabling feature to (whether via the Forum or otherwise) this Site;
- 1.6 misrepresent a relationship with any person or organisation;
- 1.7 do anything that is unlawful in any way;
- 1.8 invade the personal privacy of any other person or group;
- 1.9 disrupt forums by:
 - (a) adding unnecessarily large numbers of posts or discussions;
 - (b) posting messages of excessive length (more than 1000 words or 2500 characters) or repetitive messages, including cross-posting, flooding and spamming;
 - (c) creating off-topic posts;
 - (d) manipulating topics to disrupt conversation;
 - (e) any behaviour that interferes with conversations or stops the ability of others to use and enjoy the forums for their intended purposes; or
 - (f) attempting to do any of these things or permit another person to do any of these things.
